## **FINGER LIMES**

**8oz Clam**

**11153**

Known as citrus caviar; Finger limes are a lime like no other. No bigger than one – two inches; these little cylindrical shaped limes really pack a punch. Vary in color from green to brown the interior is the where you'll find its wonder. Little tiny bubble like vesicles that pop on your tongue like caviar. Simply cut and squeeze to unveil these little beauties. Try them on top of sushi, appetizers, even desserts. If you really want a wow, rim a drink glass with them. Watch your guests be amazed in what they just experienced. Try them today while supplies last!
